Co-Sponsorship available for annual holiday special events!

Community Special Events are happening throughout the year. Many groups have assisted in the planning and preparation of these events. **Now** it's time for **your** business, organization, club or family to join in and assist with the special event of your choice. Be prepared for fun! Volunteers are needed, as well as in-kind donations (candy, building material, supplies, etc.) and sponsorship donations for children's activities.

(Please circle the event you are interested in)

VOLUNTEER OPPORTUNITIES

The City of Brighton has a variety of Volunteer opportunities for people of all ages. As Brighton is growing, so are the needs for volunteers. You play a major part in making all of our events a success. There are numerous hours involved before, during and after an event. Some of these projects can be done at home. We need seamstresses, carpenters, painters, etc. You don't have to be a pro.

The Sports Department needs volunteers to help with coaching basketball, soccer, softball and baseball. Tiny Tots, Youth and Teen Department need your help in childcare, reading to children and Jr. interns with the Funshine Club. The Aquatics Department needs Jr. lifeguards and ALL departments need office assistants.

Volunteer hours can be applied towards WorkReation Program, High School Community Service, Court Ordered Community Service, Colorado Share Program, Community Work Experience Program (CWEP). For more information, feel free to call or drop by the Events, Volunteers & Downtown Initiative Division. Attached is a Volunteer Form for your convenience. Just fill it out and drop it by the Events, Volunteers & Downtown Initiative Division. at 36 S. Main St. Come on down and volunteer some of your free time.
Be a part of your city!!

WORKREATION PROGRAM- (REC DOLLAR PROGRAM)

Did you know? When you volunteer with the Brighton Recreation Center designated classes, programs and Special Events, you will earn TWO Recreation Dollars for each hour worked. Rec Dollars may be applied toward payment of daily admission, 15-visit, quarterly or annual passes.

HIGH SCHOOL COMMUNITY SERVICE PROGRAM

For the past 13 years, high school student volunteers have completed their High School Community Service with the City of Brighton. Students have assisted with many duties such as clerical, parks, special events, working with youth, sports, etc. Volunteer opportunities in the area of Special Events are scheduled year round. Duties include prop and float building, set-up and takedown, as well as working the event. High school volunteers have also acted as a costume person during parades and community special events. Many departments in the city have benefited by youths completing their requirements for high school graduation.
WE APPRECIATE YOUR ASSISTANCE.

COURT ORDERED VOLUNTEERS

The City of Brighton provides referral, orientation, reporting, verification and location for citizens of Brighton and the surrounding communities to complete their "Court Ordered Volunteer Service." Be of help to your Community.

**Volunteers
are the Heart
of our Community**

VOLUNTEER NOW!!

CITY OF BRIGHTON VOLUNTEER SIGN UP

The City of Brighton invites all individuals, families, special interest, sports and entertainment associations, fraternal, human service, social service, veterans and military, youth, teen, adult, senior and cultural organizations to participate in volunteering for the City of Brighton in its many department and areas.
